PUBLIC HEALTH UNITS

A LOCALLY DRIVEN COLLABORATIVE PROJECT
2016-2017

APPENDIX A SEARCH STRATEGY

Enabling continuous quality
improvement in public health:
A scoping review

JULY 2017

APPENDIX A: SEARCH STRATEGY

***Enabling continuous quality improvement in public
health: A scoping review***

July 2017

The Scoping Review Working Group included two public health librarians who facilitated the development and implementation of a search strategy which included both peer-reviewed and grey literature.

The search strategy leads were:

- **Jane Beehler Librarian**, Kingston Frontenac and Lennox & Addington Public Health and
- **Tanya Harron Librarian**, Wellington-Dufferin-Guelph Public Health.

Scoping Review Question

What critical elements (organizational structures, systems, processes and activities as well individual capabilities) are needed to create, support and sustain CQI?

Inclusion and Exclusion Criteria for the Scoping Review

Table 1 – Inclusion and Exclusion criteria for the scoping review		
	Inclusion	Exclusion
Focus of the study	a) Describes how CQI has been implemented in the public health sector “OR” b) Provides research or a case study regarding implementation of CQI efforts in the public health sector “OR” c) Describes structures and contextual factors related to the implementation of CQI in the public health sector (i.e., factors that are core to QI successes)	
Methods	Clear overview of the methods used in relation to research and/or CQI tools and methodologies	Insufficient information to support the understanding of the drivers or attributes of CQI
Language	English	Non-English
Publication Types	Peer reviewed literature, grey literature	Conference posters and abstracts, newspaper articles, opinion pieces, letters
Publication Years	2009 – current	Before 2009
Country	North America, Australia, New Zealand, United Kingdom	
Focus	Human Studies	Animal Studies

Overview Flowchart for the Scoping Review

The following chart provides an example of how the scoping review project was tracked throughout the search and screening process. This chart was updated throughout the project to ensure an accurate tracking of Scoping Review numbers. *This tool can be found at <http://prisma.theacollaborative.ca>.*
